WAITING FOR A Y CLOSE TO HOME

Sally Rogers, a master teaching artist with the Connecticut Commission on Culture and Tourism, has been a Y member for over twenty years. Sally's career has kept her traveling for much of that time, and the Y has been a constant no matter where her job has taken her. "When I was a traveling musician, being a Y member allowed me to get exercise when I was on the road. Almost every Y has reciprocal agreements with other Y's across the country. For a small fee-- or no fee-- I was able to use Y's in nearly every town where I performed. It was a lifeline, especially for someone who spends so much time in a car," says Sally. Sally is a supporter of the new Regional Community YMCA Family Center to be constructed in Putnam.
