## Will I be able to afford membership?

- The Regional Community YMCA Family Center works with families and individuals to ensure that everyone has access to the YMCA.
- *The Regional Community YMCA Family Center uses a Membership For All (MFA) rate structure: MFA uses a sliding scale rate structure based on gross annual household income to determine the member's monthly or annual rate. MFA is designed so that all people are able to have access to the YMCA, regardless of their income. Your membership in the YMCA is not only an investment in yourself and your family; it's also an investment in your community.*
