CLASS DESCRIPTIONS

BARRE CORE – Improve core strength, balance, posture and flexibility, while strengthening your body with controlled, progressive movements. Gain insight into body awareness and complete your fitness regimen with this ballet barre inspired class.

BOOT CAMP - This high-energy program includes an intense cardiovascular workout and strength-training drills, and is designed for those seeking an intense boost to a regular workout routine. Develop strength, stamina, and agility.

GROUP CYCLE - a high energy spinning class taught on a stationary bike targeting heart rate zone training, lower body strength, endurance and lots of sweat. Abs are included in Group Cycle & Abs.

HIIT - High intensity interval training for total body conditioning. Intervals, Cardio and Power.

KICKBOX – High intensity intervals with a combination of aerobics, boxing, martial arts and toning exercises to zap calories and define your muscles.

GROUP CYCLE - a high energy spinning class taught on a stationary bike targeting heart rate zone training, lower body strength, endurance and lots of sweat. Abs are included in Group Cycle & Abs.

PILATES – Ideal for those wishing to improve flexibility, balance and tone while strengthening core muscle groups. This non-impact, low-intensity workouts include stretching and core-muscle training exercises. Enhanced mobility, long, strong muscles, a flat stomach, strong back, improved posture and a more streamlined body can be achieved.

STRENGTH TRAINING - a class using weights that work to strengthen your entire body. This workout challenges all your major muscle groups by using the best weight-room exercises. Great music, awesome instructors and your choice of weights inspire you to get the results you come for—and fast!

R.I.P.P.E.D. – A total body workout, utilizing resistance and cardio training, which includes endurance, interval, and plyometric exercises.

YOGA & GENTLE YOGA – A multi-level class for both new and experienced students. Yoga will help cultivate self-awareness and stress reduction while exploring strength, flexibility and balance. Using breath work, alignment, postures, sequences and relaxation techniques, students will leave having learned tools to use for their life-long well-being.

HATHA FLOW YOGA – Learn the fundamentals of Yoga, breath work, postures and sequences focusing on alignment, balance and flexibility. Techniques will be taught to increase self-awareness, nurture the inner spirit, and balance the mind and body.

VINYASA YOGA – A dynamic and fluid Yoga style in which a specific sequence of breath synchronized movements are used to transition between sustained postures. The linking vinyasas bring the body back to neutral so that one can fully feel the energetic effects of the practice. By emphasizing the breath throughout the Yoga practice the intention is one of a relaxed and rejuvenated mind and body.

YOGA FLOW – An intermediate, more vigorous Yoga flow class. A series of postures linked with sun salutations. Knowledge of basic poses recommended.

YOGA FOR STRENGTH – Move through a series of postures that energize the mind and body, sculpt muscles, build core power, and increase strength and flexibility.

ZUMBA – Zumba® is a fitness program inspired by Latin dance. Zumba® consists of Latin rhythms with cardiovascular exercise to create an aerobic routine that is fun and easy to follow.

STRONG by Zumba™ is a High Intensity Interval Training class that combines body weight, muscle conditioning, cardio and plyometric training. Each move syncs to original music that has been specifically designed to match every single move. Use your own body weight as resistance to achieve muscle definition and you will burn calories while toning arms, legs, abs and glutes. Stop counting the reps. Start training to the beat.

STEP IT UP –Step up your workout with a step and sculpt class. The class will start with easy to learn step combos that will keep you moving and finish with strengthening exercises for an all inclusive workout.

SENIOR STRONG - A 45 minute strength and agility class for seniors of all ages and abilities using light free weights.
