Effective MAY 10, 2016

Mission

We are dedicated to providing services that enrich the lives of our members. Amazing Kids & Child Watch is a convenience for parents, providing children, age 6 weeks through 9 years, an opportunity to socialize while playing and learning in a safe, nurturing environment while their parents enjoy our YMCA.

Effective MAY 10, 2016

Activities

Children can choose from a wide variety of activities from playing a board game, making music, creating art masterpieces, reading a story or playing in the land of make believe. Dress up costumes, blocks, puzzles, books and more are available.

We have something for everyone. Because different ages need different challenges, we've designed our Amazing Kids & Child Watch Rooms to let children progress at their own level. Our goal is to make sure your children have fun, while they play and gain self-confidence. **OUR ROOMS ARE SCREEN FREE! In order to ensure that every child has the best experience possible, the Y requests that children refrain from bringing electronic devices to Child Watch & Amazing Kids. This includes mp3 players, tablets, cell phones and portable games.**

Staff

Children who join us in the Amazing Kids & Child Watch rooms are cared for by well trained, experienced YMCA staff. These men and women are selected on the basis of their maturity, leadership capabilities, patience and understanding and all are certified in First Aid and CPR. Staff and operations are under the direct supervision of a YMCA professional director. Maximum time allowed for any child in the Amazing Kids & Child Watch is 2 hours per day. Parent must remain in the building while their child is checked into our Amazing Kids & Child Watch rooms. Parents will be notified if their child needs diaper changing.

Check-in Procedures

Upon Membership enrollment and prior to first visit to the Amazing Kids & Child Watch rooms, parents or guardians must complete a registration sheet which includes emergency contacts and consent for medical emergency treatment. They will be given a parents' handbook. Parent/guardians will be allowed a brief introduction to the room to help adjust the child to the new environment upon their first visit. **Each visit to the room the parent/guardian will sign their child/ren in on their registration card.** A third person may be designated as someone who can be authorized to drop off or pick up the designated child(ren).

Check-Out Procedures

The parent/guardian who signs in the child must be the same person who leaves with that child, and may be required to show a driver's license, state I.D. or have verification through the YMCA Check in system before YMCA staff can release the child. This rule will be strictly enforced and is for the children's safety and protection. The parent/guardian will show proper identification, initial the sign in/out sheet, and a staff member will retrieve the child for the parent.

Discipline

The YMCA is an association, open to all and committed to helping people develop their God given potential in spirit, mind, and body. Our commitment is based on the belief that the purpose of this three fold development is to live out the values of our Judeo-Christian heritage, including caring, honesty, respect, and responsibility.

Children will be encouraged to behave in a caring, honest, respectful, and responsible manner while playing at the center and to cooperate with others and the staff.

All discipline actions will be handled by the following steps:

1. Questioning from the staff to the child, followed by an explanation of proper behavior.
2. Verbal warning by staff.
3. An age appropriate time out will be applied (removal from activity).
4. Behavior notice will be shared with parent/guardian.
5. Parent/guardian will be notified to come to the center if necessary.
6. If the child has a continual behavior problem the parent/guardian will be asked to meet with the Director for a conference.
7. Children with major discipline problems may be asked to leave the program.
