

## CAMP JEWELL HIGHLIGHTS 2008

---

Camp Jewell enjoyed tremendous success in 2008. We surveyed 1285 campers, 208 parents, and nearly 100 staff during the summer. Below is a summary of positive highlights from those evaluations.

### *Camper Survey Highlights*

- 98% of campers reported making a new friend during the summer
- 97% of campers reported having “had fun” this summer!
- 90% of campers heard about Camp Jewell from a friend or family member
- 90% of campers plan on returning next summer
- 88% of campers stated that they will recommend camp to a friend
- 83% of campers feel like they are a better person having attended Camp Jewell
- Overall, the favorite clinics and events at camp were more traditional – campfires, Capture the Flag, Spirit Fest, Nancy Tucker, Corn Roast, etc.

### *Parent Survey Highlights*

- 98% of campers rated camp activities as fun or awesome
- 90% of campers described their counselor as good or great
- 89% ranked the camp program 8 or higher on a scale of 1-10
- 97% agreed that that camp helped their child in making new friends
- 97% agreed that camp helped their child get to know kids that were different from themselves
- 96% of parents would recommend camp to a friend
- 95% of parents agreed that camp made their child feel good about themselves
- 79% of parents agreed that camp helped their child overcome some type of fear

### *Staff Survey Highlights*

- 98% of staff agreed that they built strong relationships with children this summer.
- 98% of staff agreed that camp met its goal of providing children with the opportunity to build confidence, character, relationships, and positive memories.
- 98% of staff agreed that they made a positive difference in the life of a child this summer
- 97% of staff agreed that the camp director and the executive director gave the support needed for them to be an effective counselor.
- 96% of staff agreed their Camp Jewell experience was good and that they would recommend working at Camp Jewell to a friend.
