# **CAMPING PROGRAMS & AGES**

## **Preschool Camp: ages 3-4**

Preschool Camps are a great way to introduce young children to the fun of camp at the YMCA. In half-day or full-day sessions, campers ages 3 up to going into kindergarten enjoy activities designed for their unique age, with more individualized attention and time for rest.

## **Traditional Day Camp: grades K-8**

Day camp is all about discovery. Campers are given the opportunity to explore nature, find new talents, try activities, gain independence and make lasting friendships. Activities may include theme-based weeks, arts & crafts, sports, outdoor play, music and dance, recreational swimming, and family events!

## **Specialty Camps: ages vary by camp**

Campers explore interests and dig deeper into their favorite topics. Campers learn the fundamentals of their activity and work towards a better understanding of their interest.

## **Teen Camps: grades 6-8**

Teen Camps are designed to keep teens (insert grades) active and engaged in a variety of activities designed to build friendships and develop interpersonal and leadership skills. Campers spend their week(s) traveling to local venues and participating in exciting activities such as rock climbing, kayaking, mountain hikes, overnights and more!

## **Teen Leadership Programs: grades 9-10**

Teens' going into freshman and sophomore of high school will focus on learning about themselves and what they have to offer the community as tomorrow's leaders.

**Donate today to help!  
Every child deserves  
to go to camp!**

Every year, hundreds of families across our region are in need of financial assistance to send their children to camp. The Y's community campaign provides that assistance to families who want to give their children a safe, enriching summer but can't afford it. Please give if you can help.

**Give today at  
[GHYMCA.org/donate](http://GHYMCA.org/donate).  
Thank you!**

## **FINANCIAL ASSISTANCE**

If you need help paying for your child's camp fees, please contact your branch's Welcome Center. You will be asked to apply for Care 4 Kids before filling out a YMCA financial assistance form.

## Well-Trained Staff:

At the YMCA of Greater Hartford, your camper's welfare is the number-one priority. The staff members are trained to understand the varying needs of children. In order to provide safe, quality experiences for children, the screening, training, and supervising of the staff is imperative. The team of directors works closely with applicants to ensure that camp has quality individuals who demonstrate a mature attitude, sound judgment and an ability to relate well to children. Upon joining our team, staff members receive comprehensive, on-site training, which includes certifications in first aid, CPR, and basic water safety.

## High Standards:

The safety of each camper is our primary concern. The Greater Hartford YMCA camps meet the 300 standards-of-excellence of the American Camp Association, as well as all state licensing standards. Make sure you ask your camp about the ACA standards and what they are!

## Quality Programs:

The YMCA of Greater Hartford has over 60 years of experience providing fun, safe camping programs that teach leadership, team-building, and sportsmanship. Each week your child will be encouraged to learn new skills and try new activities. The possibilities of fun and adventure are endless with each camp's property designed and programmed to meet your campers needs. Through programs and modeling, children come to a better understanding of the core values of the YMCA: Caring, Honesty, Respect, and Responsibility.

## Age Group Ratios:

In accordance with State of Connecticut policy, as well as the American Camping Association Accreditation, all YMCA of Greater Hartford camps strive to maintain the best staff-to-camper ratio possible. It is important to mention that ratios are typically smaller at the waterfronts, as well as when we take field trips or leave camp for any reason.
