

YMCA REOPENING SURVEY

We want to hear from you!

YMCA Reopening Survey

To our YMCA family,

We hope you and your families are healthy and well as we explore these uncharted waters.

The YMCA of Greater Hartford is hoping to be able to reopen as soon as possible. Based on current information from Governor Ned Lamont and the State of Connecticut, wellness facilities will not be included in the May 20 phase 1 reopening. At this point, we are hoping for a mid- to late-June opening, but are following all orders from the state, as well as guidelines from the federal government.

While remain closed, we will continue to develop and deliver daily virtual content for you to enjoy, which you can [find here](#). We will continue to build our reopening plan and protocols, but need your input as members of our Y community.

Please click the link below to [fill out our survey](#) and help us with our plans. We would love to hear from members who continue to contribute their dues, as well as those who have had to go on hold or have canceled their memberships due to this crisis.

Thank you for your help and support during this time. We are so looking forward to seeing you all when we reopen!

Sincerely,

Your YMCA team
