Dear YMCA Families,

Acting in strict accordance with the November 23rd, 2020 directive from Governor Lamont and the State of Connecticut Department of Public Health, and out of an abundance of caution for the safety and well-being of our members and staff during this COVID-19 pandemic, the YMCA of Greater Hartford **will FOLLOW the updated Mask** directive.

Effective immediately:

In accordance with updated State guidelines for fitness centers and gyms, our mask policy has been slightly revised and will require that **masks be worn at ALL times within the facility, including when on cardio equipment and in group exercise classes. Masks may be removed while in water.**

Thank you for being a member of our YMCA community.
