****NEW** On Demand:** Introducing LES MILLS virtual workouts! These on demand classes are now available at the Downtown Y. With BodyCombat, BodyFlow, BodyPump, RPM and Core, you can try a variety of classes with this new, robust technology, chart-topping music and instruction from the world's best talent!

BODYPUMP is a weights class for absolutely everyone. Using light to moderate weights with lots of repetition (reps) BODYPUMP gives you a total body workout that burns lots of calories.

BODYCOMBAT is a martial-inspired full-body workout that fuels cardio fitness and leaves you feeling empowered. It's totally non-contact and there are no complex moves to master.

BODYFLOW is a new yoga class for anyone and everyone. It uses a range of movements and motion set to music that will improve your mind, your body, and your life.

CORE provides the vital ingredient for a stronger body while chiseling your waistline. A stronger core makes you better at all things you do - it's the glue that holds everything together.

RPM is an indoor cycling class, set to rhythm of motivating music. It blasts calories and builds aerobic fitness fast.
